

# SENTRAL FOR PARENTS APP

How To Download Apps on the phone:

- Open the App Store app on your phone.
- Find the Sentral Parent and click download

## Parents who have a SENTRAL Parent Portal login

If you already have a Parent Portal account:

Add Email & Password you created at registration

Note: If you have forgotten your password, you can reset your password using the email address you used to create your account or contact the school to change your password/username.

*Within the app you will step through various welcome screens. If you have the app compatible access key you may enter it on the 3rd screen. If you have completed the steps above, this is not required.*

## Parents who do not have a SENTRAL Parent Portal login

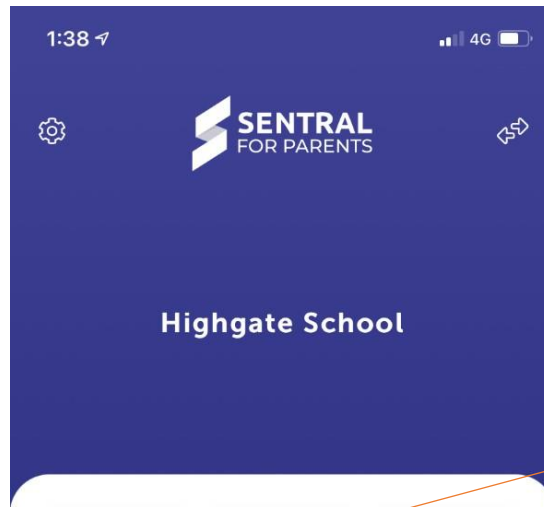

If you do not have an account on SENTRAL use the following link and instructions given below:

1. Register and set up your password using the registration link above.
2. Once successfully registered you will be prompted to enter your username (email address) and the password you created.
3. Put in the special family key you were given by Highgate School to link to your student(s) at Highgate School. It must be typed in exactly including any capitals etc.
