Dear Members of the Highgate School Community

It is with pleasure that I announce the reappointment of Nicola Brelsford as Principal of Highgate School for the next five years, commencing in 2024.

Nicola has been reappointed to this position following a process which has included the consideration of the future needs of the school and in consultation with the Governing Council Chairperson and the Personnel Advisory Committee (comprising of staff representatives).

As Education Director, I look forward to continuing to work with Nicola and the school to ensure the best possible education for all its students.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Sandy Richardson'.

Sandy Richardson
Education Director
